

# Let's work together!

About My Audit Spot and how we can partner.

## About Us.

Our mission and business

### Mission

Our Mission is:

*To encourage collaboration across internal auditors through the sharing of tools, knowledge and resources; ensuring audit remains a trusted and respected profession.*

### Product

Our product offering consists of the following:

- Audit, Risk and Compliance templates
- Insights and Guidance
- Training
- Internal Audit Services:
  - Internal Audit activities
  - Action Tracking Follow Up

### Competitors and Position

We consider our competitors and position to be:

- Gartner
- Knowledge Leader
- **My Audit Spot**
- AuditNet
- Internal Audit 360
- Auditopia

## Working together.

There's plenty of opportunity to work together. Here are a few suggestions.

- 1 Sponsored articles and emails.
- 2 Hosted online training and templates.
- 3 Membership add-on's. Sell your technology or service as an add-on to our existing memberships.
- 4 Technology partners / resellers.
- 5 Third party consultancy provider.

## Our successes.

Not only have we helped auditors and audit teams from around the world, we have also helped the community and environment.

### Our success in the community.

#### Ecologi

My Audit Spot continues to make monthly donations to Ecologi; affirming our position as a climate friendly workplace.

To date, we have planted 630 trees and 32 tones of CO2e avoided.

#### Unicorns Netball

My Audit Spot will be the main sponsor for the Unicorns Netball Club for 2024 and 2025.

Our sponsorship subsidises uniforms and game accessibility in return for social media and television coverage.
